Review: I have long been frustrated by the lack of training about child abuse in churches and ministries. Working with children who have been sexually abused and who have also done the perpetrating, I have heard countless stories of how they found their victims in church. Its not a secret that the church does not do a good job training people to be aware of...

Description: Churches have always sought to be a safe haven for children and families, but many today are dealing with the tragic reality of child sexual abuse. For the first time in history, this issue is finally being acknowledged by churches and faith communities. But the task of developing a policy to keep children safe can seem too overwhelming it feels like...
